15th March 2019

Dear Parents and Carers

Easter School during Spring Break

I am delighted to inform you about our revision sessions over the Spring break for Year 11, 12 and 13 students. A copy of the revision timetable can be seen overleaf.

I understand that you may have other plans for how your child spends the half term break, however if your son/daughter is studying any of these subjects and is able to attend, please encourage them to do so. Subject teachers have already spoken to their students to ensure they are aware of the sessions they are required to attend. In the interests of safety and security, students must sign in/out of the Academy using the attendance book at the front entrance nearest to the hall.

For your information, I have compiled a list of subject specific revision guides that teachers have recommended to our students, which is available on our school website. Please may I remind you that students have received a 'Revision Guide' earlier in the year, which reflects the exam preparation advice given on our revision website - oldershawrevision.weebly.com. A copy of this revision guide can be obtained from Form Teachers.

If you have any questions, please do not hesitate in contacting me via the school office.

Yours faithfully

Mr A Scott
Director of Teaching and Learning

Enc.

Easter School Revision Timetable
