Dear Parents, Carers and Students

What a fantastic year we have had with so much to celebrate - we are already looking forward to welcoming you back in September. On our return, we will have a state-of-the-art IT system and Chrome Book access across the school site, with further developments to come.

Meeting many of you at our school events, or during parent groups, has helped us drive the school forwards. In working together we have created new pathways for students, ensuring that we get the very best for all.

We are very proud of our students and their participation in school events and opportunities; in September we look forward to launching an enhanced program of extra-curricular events based on student voice and feedback.

Following the community ballot, we are delighted to share that the first charity who we will support is Young Minds. Our fundraising events will be an opportunity for students to show their commitment and support for this excellent charity.

Please refer to our school Behaviour Policy to ensure that students return in September with the correct uniform. We also expect that students are equipped for learning and have a pencil case with a blue or black pen, green pen, pencil, ruler, rubber and sharpener.

Additionally, students may wish to bring a calculator, maths equipment and coloured pencils - all of which should be in their bag. Students will be provided with a planner in September, which will be kept in their school bag, alongside their other equipment to allow greater preparation for learning and organisation for the academic year.

We are committed to driving progress in all areas of school life at Oldershaw and firmly believe that the improvements made this year will form a sound foundation for the next.

Have a restful summer break.

Yours sincerely

Mrs R Sagar
Head of School
